Fair Oaks, CA: **Monica Hall Spa™ Collection – Beautiful, radiant-looking skin is a right at any age.**

Age ReVers™ Daytime Elixir: Blissful Orange Blossom

A soothing daily moisture crème, Daytime Elixir is formulated with orange blossom, Cupuacu and organic fruit berry powders to naturally shield skin from environmental aggressors with a variety of flavanoid-rich polyphenols. Peptide-stabilized vitamin C and phyto-nutrient-based humectants provide hydration and nourishment. Penetration of botanicals is optimized with a unique delivery system to increase metabolic function and soften the appearance of fine lines. Aroma therapeutic essential oils combine to invigorate and awaken.

Key Actives

Cupuacu Butter enhances elasticity and provides long-lasting hydration to dry & stressed skin.

Vitamin C Polypeptide reduces fine lines & wrinkles and lightens age spots & freckles.

Perilla Seed Oil helps retain moisture; soothes and helps heal skin.

Shiitake Mushroom prevents cell breakdown and lightens skin color.

Bio Terra Complex™ consists of powerful humectants, age-defying peptides and antioxidants.

Aromatherapy (therapeutic-grade essential oils)

Tunisian Neroli (Orange Blossom) – Spirit: Soothing and calming. Skin: Anti-aging and regenerates new, healthy skin cells.

Ylang Ylang – Spirit: Used to treat depression and stress. Skin: Helps balance sebum leading to hydration.

Carrot Seed – Spirit: Calms and relieves stress. Skin: Premier anti-aging oil; rejuvenates and reduces wrinkles.

Myrrh – Spirit: Calming, uplifting and promotes tranquility. Skin: Helps heal dry, wrinkled and stressed skin; fades scar tissue and skin discoloration.

About: Monica Hall introduces AgeReVers skincare formulated exclusively with nurturing, plant-based ingredients in a luxe, Aromatherapy collection. Protecting and rejuvenating skin day & night restores its youthful glow. Hall drew from her vast experience as a makeup artist, skincare expert and trainer to blend essential oils with other pure, organic, plant-based ingredients to craft the perfect AgeReVers products to invigorate skin. Armed with a crystal-clear understanding of the causes of the seven signs of aging (dehydration, fine lines, wrinkles, skin discoloration, large pores, loss of elasticity & loss of fullness), Hall formulated products that reverse the aging process.
