Fair Oaks, CA: **Monica Hall Spa™ Collection – Beautiful, radiant-looking skin is a right at any age.**

Age ReVers™ Cleansing Milk: Calming Blue Tansy

This aromatic, gentle cleanser with fine Rose and Lavender flowers removes all traces of makeup and minerals while maintaining skin's delicate balance of hydration and pH. Calming Blue Tansy contains naturally-occurring Azulene and restores suppleness, soothes and protects skin's youthful appearance. Aromatherapy essential oils make this ultra-pure cleanser ideal for the skin as it offers naturally-sourced humectants, vitamins and phyto-nutrients.

Key Actives

Bulgarian Rose hydrates, soothes and calms skin & senses.

Argan Oil contains vitamin E and essential fatty acids to improve hydration & elasticity.

Mango Seed Butter reduces degeneration of skin cells and restores elasticity.

Blue Chamomile has high chamazulene content; soothing and healing.

Aloe Leaf feeds skin with healing, hydrating minerals and amino acids.

Aromatherapy (therapeutic-grade essential oils)

Bulgarian Lavender – Spirit: Revitalizes. Skin: Gently tones and revitalizes; soothes and nurtures.

Blue Tansy (Moroccan Blue Chamomile) – Spirit: Soothing and calming. Skin: Helps heal and soothe.

About: Monica Hall introduces AgeReVers skincare formulated exclusively with nurturing, plant-based ingredients in a luxe, Aromatherapy collection. Protecting and rejuvenating skin day & night restores its youthful glow. Hall drew from her vast experience as a makeup artist, skincare expert and trainer to blend essential oils with other pure, organic, plant-based ingredients to craft the perfect AgeReVers products to invigorate skin. Armed with a crystal-clear understanding of the causes of the seven signs of aging (dehydration, fine lines, wrinkles, skin discoloration, large pores, loss of elasticity & loss of fullness), Hall formulated products that reverse the aging process.
